FROM BAY OF ISLANDS.

Capt. Archibald Devine Brings the Latest News.

Herring Appear To Be All in the Humber.

Capt. Archibald Devine of this city, who went to Bay of Islands, N. F., a short time ago to superintend the loading of schs. Bessie M. Devine and Kentucky with salt herring, arrived home last evening.

Capt. Devine reports leaving Bay of Islands at 4 o'clock Monday afternoon and reached home last evening, coming by rail to Port au Basque, taking the steamer Bruce to North Sydney and coming the rest of the way by rail. He made good connections at each place and thus made a very quick trip home.

He says that when he left about 30 vessels were at Bay of Islands, for herring cargoes. The fish were of fine quality and a little larger than last season. They appeared to be aging queerly and had not gone into the North or Middle Arms, but appeared to be all in the Humber. Even there their movements were erratic, for one day there would be lots of them and the next day but few would be taken. Schs. Bessie M. Devine and Ralph L. Hall sailed for home last Saturday with full cargoes. The weather he said had been bad for quick passages, and on last Sunday there was quite a heavy breeze.

MACKEREL ON MIDDLE BANK.

Good Schools Have Been Seen There Recently.

Netting Fleet Are Picking Up Some Fish.

Evidently there have been quite a lot of mackerel on Middle Bank recently, for several of the haddockers have reported seeing schools. On their last trips schs. Arcadia and Lucania both saw mackerel schooling there and the sloop Golden Eagle, which came over from Provincetown Thursday, also saw a few schools there.

Several of the small schooner boats are at present engaged in mackerel netting and during the week past have landed some fish. Most of the boats have got from 25 to 100 mackerel on a trip, while some have got none. Three nice trips have been secured, the Gracie a few days ago having 1400 and yesterday the Marguerite came in with 1200 and the Azorean went to Boston with 1700 in count. All the netting skippers believe that if good weather holds there is a good chance to get some good hauls off there.

MADE QUICK TRIP.

Sch. Kentucky Arrives with Full Fare of Salt Herring.

Sch. Kentucky, Capt. George W. Turner, arrived this morning from Bay of Islands, N. F., with a full cargo of salt herring. Capt. Turner has made a very quick trip, being only 29 days on the whole trip, which is certainly losing no time. He reports encountering strong head winds on the homeward passage and on last Tuesday was obliged to put into Halifax for shelter.
